The Big One Gets Bigger

The annual Chinese Auction at the Shade Community Center is earning a following.

This year over 700 items were available for bidding, according to chair Jerry Foster.

Income for the event exceeded \$5000 with few expenses, since almost all items and even the food served in the kitchen were donated.

Between all the items and all the people, there was barely room to move in the gym. Everyone had a good time, whether helping or waiting to see what they won. Hunter Krivesti was thrilled to win a pair of garden tractor tires. Helen Risner likely was even more happy with the \$273 she won with her 50:50 split-the-pot ticket.

Jerry and the members of the Chinese Auction committee are finalizing the list of volunteers and donors, all of whom will be recognized in the next newsletter.

First Shade Community Center Easter Egg Hunt

Robin Krivesti and Marlesia Boivin organized the first ever Easter Egg Hunt at the Shade Community Center. Four age groups combed the lawn and fields in just a few minutes collecting hundreds of eggs on Sunday, April 17th.

It was a fun success for the 73 kids who took part and who also got refreshments on top of their haul of eggs. Everyone got a

chance to meet the Easter Bunny too!

Constitution & By-Laws And Standing Rules Vote in May

President Pat Davidson and the Executive Board have recommended a few changes to the SCCA Constitution and By-Laws and the Standing Rules of the Association. Discussion and vote on these changes are scheduled for the May 11th SCCA meeting.

According to the Constitution and By-Laws of the SCCA, these must be reviewed and reapproved every two years. Any changes are to be on the agenda of a regular monthly meeting (which they were in April), then are to be published in the newsletter prior to the meeting when they are to be discussed for approval.

The Constitution and By-Laws also state that all new members are to be provided with copies of these documents. The Constitution and By-Laws are on pages 5-7 of this newsletter. The only recommended change is to make the Director of Publicity an appointed rather than an elected position (**shown underlined in bold** in Article III., Section I., Paragraph 3).

Several changes are recommended for the Standing Rules, which are **shown in bold** on page 8 of this newsletter.

The changes to the Standing Rules include:

- 1) change name of Audit Committee to "Financial Review Committee"
- 2) consolidation of committees dealing with individual events into a single "Fundraisers" section
- 3) addition of a new section about "Member Communication by Email"
- 4) two changes to the section about the "Newsletter", specifically that Editor is to have draft of newsletter reviewed by two officers prior to printing, and Editor is to maintain a current mailing list in conjunction with the Corresponding Secretary.

Upcoming Program

May 17th Ron Luce, Executive Director of the Athens County Historical Society and Museum, will present a program about the Millfield Mine Disaster.

Lucille Carpenter Scott

Kenny Sams presented the February program on Lucille Carpenter Scott.

Lucille was born December 15, 1912, daughter of Victor and Eva Fulton Carpenter. Her husband was Keith Scott. A graduate of Camden Clark School of Nursing, Lucille followed with a fulfilling nursing career. She was Athens County Nurse for many years, well known and loved in the area. In 1951 she was elected president of the Ohio Nurses Association. She also worked at the TB hospital in Nelsonville and Kimes Nursing Home in Athens. She died August 22, 2003 at the age of 90.

The scrapbooks that Teresa Winning purchased from an auction is a collection of Ms. Scott's and contains valuable history of Athens County, state and national news.

Lucille lived at Long Run Heights. Kenny grew up on Rock Riffle Road, which is close by. She came to Kenny's home when he was around 7. He was born with a deformed ear and she made arrangements for surgeries at Children's Hospital to correct

this with plastic surgery, which was a new procedure at the time. The surgeries continued from 1946 through 1957. Meeting Lucille really enriched Kenny's life and he is eternally grateful. He remembers her as a very caring person and as she grew older looking very young for her years as she remained active. She and her husband enjoyed traveling, as one album has several photos of their travels out west.

Among items in her scrapbooks (which are now in the history room) are: Athens State Hospital grounds and history (ponds shaped like suits of playing cards), 1907 flood article and pictures, 1964 and 1967 floods, Hopes Dairy closing, Blizzard of '78 ball team stranded, Blennerhasset Island restoration, opening of Athens Mall in 1977, and many more.

— Betty Snow-Rosser

Origins of Hocking College

Gail Jordan presented the April program about the creation of Hocking College and the first few years of the institution.

SCCA member Ruth Hawk's father Thomas C. Porter was Athens County Superintendent of Schools in the 1960's. He was a prime mover for the concept of creating the school.

In 1965 he became Superintendent of Tri-County Joint Vocational High School and President of Tri-County Technical Institute, as Hocking College was first named. Mr. Porter was President when the doors opened in the fall of 1968 and when the first two classes graduated in 1970 and 1971. He served as President until July 1971 when second President John Light took the helm and began his tenure of nearly forty years.

Jam's Golden Run

The April 2011 edition of Jammin' in Jerseyville was the 50th monthly jam session at the Shade Community Center.

Tom Fletcher organized the jams starting in February 2007. Since then usually ten to twenty musicians and ten to fifty spectators have gathered every month, usually on the second Friday evening to enjoy a free music event.

First Blood Drive at the Center

The Shade Community Center sponsored a Red Cross Blood Drive on March 22. We exceeded our goal and plan to have future blood drives. Because of the recent harsh winter and the rising cost of fuel, blood supplies are extremely low. Did you know that: One donation can save three people. Every two

seconds someone in the United States needs blood. More than 38,000 blood donations are needed each day. A single car accident can require up to 100 pints of blood.

On behalf of the American Red Cross and the Shade Community Center, we would like to thank those who generously volunteered to give life to individuals in need. In addition, we would also like to thank all those who helped make this event a success: Rhonda Meeks, Peggy Rist, Tammy Foster, Grace Dorst, and Debbie McAdoo.

Donating blood is a safe and simple process, typically tak-

ing a little over an hour with the actual donation time less than 12 minutes. If you did not give blood this time, we hope that you will consider giving in the future. Giving blood gives you the immediate satisfaction that you have helped save a life.
